(a) Number of MWC units located at MWC plants in State. Most MWC plants have 2 or 3 MWC units on site.

(b) All existing small MWC units are regulated under the Part 62 Subpart JJJ Federal Plan for small MWC units until and unless an applicable State Plan is approved by EPA. See list of approved State Plans.

(c) “Fed Plan Delegation” means a State has requested and received delegation of enforcement of the Federal Plan from EPA in place of developing a State Plan. If a State has not obtained delegation of Federal Plan, enforcement of the Federal Plan is by EPA.
